Stained Glass Patterns.By Susan KingNice pattern book.1 of 2 people found the following review helpful. Really nice designs!By Jane RiterThese designs are terrific! We're using them for stained glass and mosaic work but they could also be used in lots of other

craft applications.

Nautical motifs are among the most popular designs for stained glass and other craft projects. For this versatile collection, award-winning stained glass artist and designer Connie Clough Eaton provides 100 attractive, workable patterns for stained glass workers at all levels of expertise. Included are scenes of lighthouses on rocky coastlines, an array of graceful seashells, majestic sailboats, playful dolphins, and other maritime subjects. All appear in circular, oval, square, or rectangular shapes, making the royalty-free images easily adaptable for use in a variety of craft projects.
