From Charles Scribner's Sons NY 1970 : Needlepoint by Design: Variations on Chinese Themes before purchasing it in order to gage whether or not it would be worth my time, and all praised Needlepoint by Design: Variations on Chinese Themes:

1 of 1 people found the following review helpful. It was like finding an old friend...discovering this book again.By Kathleen Horan,I owed a copy of this book 30 years ago and made several of the designs. I lost my copy over the course of several moves and was thrilled to find a copy of this on for \$3.99. The book arrived in great shape; it arrived in good time and it was greeting an old friend when I opened the package!0 of 0 people found the following review helpful. dragon pattern on cover not in the bookBy Kindle CustomerI was disappointed that there was no pattern for the dragon on the cover , but there are a lot of other cool patterns so gave it 4 stars. The way they put the patterns in the book was wonky but the book was written in 1961.0 of 0 people found the following review helpful. One StarBy M. SteinerI got this because I need a dragon design,the book that I received does not have ONE,
