**Laura Siegel Gilberg : Needlepoint designs from Amish quilts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Needlepoint designs from Amish quilts:

0 of 0 people found the following review helpful. Five StarsBy Teri J. CremeensI love doing needlepoint or cross-stitched quilt patterns and this book has it all.0 of 0 people found the following review helpful. My Needle workBy CustomerI did the piece shown on page 48 and the back cover. After all these years it is nice to see that the book is still available, and that there is still some interest in stuff like this. :)
