The truth is that this is something I would love, and probably orderedBy geegee4073The truth is that this is something I would love, and probably ordered, but I don't remember ever seeing it.0 of 0 people found the following review helpful. Mistaken IdentityBy Kim C. ThomasI bought this because I thought the author was an award-winning quilter I know who has the same name. That turned out to be untrue, but it is an interesting book anyway. I'll be sharing it with my friend Mary Kay and some other quilters I know.0 of 0 people found the following review helpful.
