Judy Clayton, Deborah Dow : Needlepoint Gifts for All Seasons before purchasing it in order to gauge whether or not it would be worth my time, and all praised Needlepoint Gifts for All Seasons:

2 of 2 people found the following review helpful. Needlepoint Gifts For All Seasons By Sharon L Dixon I love the cute patterns in this book. They are small but classy looking. There are patterns for card inserts, picture frames, book marks, pin cushions and frames pictures. I really like the four seasons patterns, They are quick and easy and would make cute gifts for anyone. This is the best book I have seen for quick needlepoint gifts, and they are not just tent stitches which are boring to me. I would recommend this book to anyone.

From springtime florals to Christmas greetings, delight in this seasonal treasury of needlepoint cards and keepsakes. These 55 projects offer the perfect choice of gifts to stitch for every occasion -- a duck egg cozy, summer garden

scenes, an oak leaf door plaque, and a snow and sheep picture, just to name a few. Most of the designs are small in size and worked in simple tent stitch with stranded threads. With detailed charts and glorious color photos, this is the perfect introduction to needlepoint for the beginner.
