**Marji Hadley, J. Dianne Ridgley : Prairie People: Cloth Dolls to Make and Cherish** before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Prairie People: Cloth Dolls to Make and Cherish*:

6 of 6 people found the following review helpful. *Prairie People: Cloth Dolls to Make and Cherish* By goodyhoodThe book itself is great, up to a point! Most patterns are printed in the book, but 3 dolls had removable pattern sheets in the back. 3 had been torn out and 2 stuck back in the book. Naturally, the one I liked the most was not there! However, I bought the book "used". If I had known that the patterns were removable, I probably would not have taken that chance. I usually don't buy "pigs in a poke".6 of 6 people found the following review helpful. *Prairie People: Cloth Dolls to Make and Cherish* By SunnyWonderful book! Well written instructions with very good illustrations. Tells how to make the old fashioned cloth dolls, and even how to make the fabric look faded. If you are drawn to the dolls on the cover, you will love the book!1 of 1 people found the following review helpful. Love this book of old-fashioned dolls to sew By TiddledeewinksLove this book of old-fashioned dolls to sew. A lot of books now, have reduced patterns that you need to enlarge before sewing. But, not this one. It comes with full size patterns ready to use, which saves you a lot of time.
