Joy Jolliffe : Print!: 25 Original Projects Using Hand-Printing Techniques on Fabric and Paper (CB Crafts) before purchasing it in order to gage whether or not it would be worth my time, and all praised Print!: 25 Original Projects Using Hand-Printing Techniques on Fabric and Paper (CB Crafts):

5 of 5 people found the following review helpful. Lots of useful information. By Smiley Face Great place to start if your interested in starting to print. Lots of useful information. Many times I will borrow a book from the library to see if I like it and then actually purchase when I feel it's a book to use again and again. This was a keeper!! Purchased for my personal art reference library.

Printing is a simple, effective way to make your mark on a variety of surfaces, from clothes to bedding to bags. Featuring an array of fun techniques-including block, transfer, and open screen printing-this engaging guide offers a multitude of prettily designed projects. Create a Primrose Skirt, a stenciled cushion, holiday wrapping paper and gift tags, personalized scrapbook covers, and more. Plenty of expert tips help guarantee perfect results every time.
