Claude Debussy, Music Scores : Prelude "l'Après-Midi d'un Faune"/Trois Nocturnes (Dover Miniature Music Scores) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Prelude "l'Après-Midi d'un Faune"/Trois Nocturnes (Dover Miniature Music Scores):

One of the most influential composers of the twentieth century, Claude Debussy overturned traditional concepts of

form, harmony, rhythm, and orchestral coloration in creating a body of music characterized by innovation on the highest level. Among his most popular works are the compositions in this volume: Prelude "l'après-midi d'un faune," one of the great seminal pieces of its time, despite its brevity; and the three Nocturnes ("Clouds," "Festivals," and "Sirens") exquisite, evocative models of impressionism. These important full scores are reproduced here from authoritative early editions.
