Lee Lister : Profitable New Scrapbooking Business before purchasing it in order to gage whether or not it would be worth my time, and all praised Profitable New Scrapbooking Business:

Many people are thinking of starting a new business and scrapbooking has a surprising number of methods of making a profit. Be it consulting, seminars, retail, party planning or selling on eBay, this book describes how to set up a profitable new business. Scrapbooking is one of those businesses that you can start in a small way and run quite easily

from home with just a telephone and a simple storage system. It is also one of those businesses that you can quickly grow as you become well known and more popular. We show you how to start small and expand your scrapbooking business in some surprising ways. This book shows you how to set up your Profitable New Scrapbooking Business, decide on your prices, interact with your customers, market your business both on and off the internet as well as set up your business web site. If you want full business advice that includes: administration, packaging, branding, inventory, contracts, marketing, selling on eBay and dealing with corporate customers as well as setting up and holding your own seminars - then this is the book for you! Guarantee: If you find a relevant small business subject that has not be covered in this book, then I will refund your purchase price as well as send you the new version when I add the subjects! www.StartMyNewBusiness.com
