Edward Palmer : Pumpkin Carving before purchasing it in order to gage whether or not it would be worth my time, and all praised Pumpkin Carving:

1 of 1 people found the following review helpful. Five StarsBy SeanExcellent quality and fast delivery. No complaints.3 of 4 people found the following review helpful. Patterns with personalityBy L. D. ChownI was tired of the same old patterns circulating our friends' annual pumpkin-carving party. This book has over 30 pumpkin patterns (and finished photos). It also has 5 cantaloupe and watermelon patterns. The faces on the pumpkins have a lot of personality. This book has general instructions and tips for the beginner, and the patterns are for the beginner to the novice.2 of 2 people found the following review helpful. but easy enough for most people to doBy Potluck QueenCovers interesting pumpkin carving, but easy enough for most people to do. He has general instructions. Each pumpkin has a full color photo of the finished product and a full template to make it easy to follow. Contents
