They seem simple to piece but are still interesting designs.1 of 1 people found the following review helpful. I seldom do a quilt exactly as the pattern shows which is ok but if you feel you must the instructions a pretty clear although IBy GuardHave already made the heart beat quilt and I

plan to do the Tumbler soon. A friend has templates for the 10 and 8 inch and I have AccuQuilt dies for the 4 and 6 inch. I seldom do a quilt exactly as the pattern shows which is ok but if you feel you must the instructions a pretty clear although I normally do not press out my seam except for Lone Star quilts. Patterns for 12 quilts in one book at that price was very good. 0 of 0 people found the following review helpful. Easy Beautiful Quilts By E. Sloane If you are a fan of Nancy Zieman and her sewing projects you will love this book. It has quilts anyone can make. The designs are fresh and fun to do. There is not a lot of fabric required to make the smaller quilts either. Once again she proves why she had the longest sewing show on TV. This is a very good way to introduce yourself to the art of quilting. If you are eager to try and make a quilt this is a great way to start.
