By April Hollingshead I'm a digital scrapbooker have been for 2 1/2 years and love it. I got this book for ideas. I can usually mimic any tradition technique with digital. I got this book to get me some idea and I got it for a bargain with Scrapbooking the school years and Modern memory keeper at a local store. I love the book had great ideas. I have already made pages using this book. Page never tured our exatly like the ones in the book only because I like to make them my own and I use the layouts at a base idea and go from there. 9 of 11 people found the following review helpful. Identify and inspire your comfort zone... By Jill M. Paulson I am always intrigued by the books the label styles in this way. I am aware that there are some distinct styles; however, I think that any scrapper who has been

scrapping for any length of time has experimented at least a little in all styles and if they haven't, they should give it a try. Books like this are great tools to help you hone in on the principles and elements of your favorite style(s) and/or to step beyond the boundaries of your 'comfort zone' to try other styles of scrapbooking.

Quick Easy has never been so much fun! In the past few years several unique scrapbooking styles have emerged. Pages with whirly freeform style are just as common as those with crisp, clean cuts. Textures and accents run the gamut from urban rugged to soft country chic. If your curiosity is stirred to experiment with the abundance of products and ideas available, but time is of the essence, then this is the book for you. With Quick Easy Scrapbook Styles you'll learn the tricks, tips and techniques for crafting fast scrapbook pages in the following five popular styles: **Graphic:** Influenced by the world of graphic design, these pages impart a sophisticated tone with clean lines, bold fonts and lots of open space. **Sassy:** A little bit sass, a little bit class, this style is for the eclectic scrapbooker. Metallic elements, vibrant colors and fun accents are trademarks of this fashion. **Urban:** Gritty, grungy and worn, urban pages march to that run-down, metro beat. Ransom-style type, wire, mesh and metal synchronize on the urban page. **Fun Funky:** Full of character and pizzazz, fun and funky pages strut mixed patterns, bold colors, doodles, waves and swirls. **Romantic:** Cloaked in quiet colors, natural textures and harmonious patterns, the romantic style is pure pleasure. It will entice you with its loveliness. If you're looking for cutting-edge styles that can be created in flash, pick up a copy of Quick Easy Scrapbook Styles today! Whatever your taste or skill level, you won't find a more comprehensive, time-friendly resource with such a wealth of inspiration and ideas.
