Diane McHutchison : Quilt Blocks 2: More Stained Glass Patterns before purchasing it in order to gage whether or not it would be worth my time, and all praised Quilt Blocks 2: More Stained Glass Patterns:

The second volume of Quilt Blocks gives the glass artist another 35 patterns to mix and match as sun catchers, box lids or just about anything else! Like Volume 1, these patterns are great for both the novice and experienced stained glass artist. They are ideal for experimenting with colors and textures, and provide a great use for some of the scrap glass that we all have in our studios.
