Diane McHutchison : Quilt Blocks: Patterns for Stained Glass before purchasing it in order to gage whether or not it would be worth my time, and all praised Quilt Blocks: Patterns for Stained Glass:

0 of 0 people found the following review helpful. Great patterns for glass projects.By LarryD.I have made three stained glass box tops with the patterns in this book. Wonderful projects. I highly recommend this book for stained glass/fused glass hobbyist.2 of 3 people found the following review helpful. little disappointedBy CustomerLove the patterns, but wish she would have put in some colored stained glass pictures to help with inspiration and a little guidance.

A collection of 35 quilt squares that are suitable for use independently as sun catchers, box lids, or perhaps as the sides to a candle holder. These patterns are appropriate for incorporating into larger designs such as mirror borders or combined together to make larger glass "quilts". All of these patterns are within reach of the beginning stained glass

artist, yet can give the experienced artist a means to experiment with color, texture and design.
