That's not my cup of tea so I returned the book.5 of 5 people found the following review helpful. Process of creating overtimeBy N. LundyClearly, this is a book of process over time! I have done my initial activity, but lots more to do and learn over time! There are challenges for me( looked through the book) and I will persist through each! Should be fun!

Looking for a fun way to create, track and record all of your great ideas? This uplifting interactive journal is here to help! Write, cut and glue your way through a series of fast and easy challenges that encourage you to try new things, create lists of fun-favorites and explore your sewing stash. In this 52 week humorous trove of creative exploration,

you'll document your most memorable quilting moments...and actually remember them! Included in your yearbook are supportive prompts and exercises that encourage reflection through writing, drawing and chart-making. In the end, you'll have an irreplaceable portfolio that celebrates your most inspired and prolific year ever! Not only is Quilter's Yearbook the perfect gift, but it is also a powerful tool for positive change. Embrace the fun and start this year with a creative splash!
