Jessica Alexandrakis : Quilting on the Go: English Paper Piecing Projects You Can Take Anywhere before purchasing it in order to gage whether or not it would be worth my time, and all praised Quilting on the Go: English Paper Piecing Projects You Can Take Anywhere:

18 of 19 people found the following review helpful. Without a machineBy bcshuksThis book has really opened the limits of quilting for me. No longer do I need to be inside, plugged in to quilt. I have since started taking my pieces with me everywhere I go. I love the graph paper at the back of the book. So you can really expand on her ideas to make something personal for yourself.1 of 1 people found the following review helpful. Wasn't as pleased with this book as I had hoped to beBy Helen WheelsWasn't as pleased with this book as I had hoped to be, and tha author's basting and sewing system seems more complicated than it should be. It hasn't really added anything to my English Paper Piecing repitroir, and I think you get better tutorials online and in the Hex A Go Go book.0 of 0 people found

the following review helpful. Paper piecing, quilting on the go By Marge D Most informative book I've read on paper piecing. I was looking for a craft I could carry with me when on the road. This is it "Quilting on the Go". The book explains how to get started, tools needed, including suggestions on how to keep tools to a minimum, starting to sew and many easy start up projects. The book was easy reading with detailed instructions. I highly recommend this book if you are looking to learn paper piecing and an great way to use your scraps.

Break Free from Your Sewing Machine Imagine being able to quilt on vacation, at the beach, or virtually anywhere else you find yourself. Jessica Alexandrakis has traveled the world with her on-to-go sewing kit and small stash of fabric, creating strikingly modern patchwork along the way. Now she shares everything she's learned about this addictive, beginner-friendly technique. Sewing kit essentials that you can slip in your bag so you'll always be ready to stitch Color theory and stash organization tips for dramatic effects or scrap-happy results Creative patterns to combine hexagons, half-hexagons, diamonds, stars, squares, and triangles 10 step-by-step projects, including the hand-pieced Laptop Bag, Tanuki Stripe Throw, Falling Stars Baby Quilt, and Jessica's signature Travel Quilt 10 customizable quilt patterns with 40 vibrant color palette suggestions Whether your style is classic or modern, Jessica offers a range of stunning projects, from small home accessories to full-size quilts, for all skill levels. So leave the sewing machine at home. Take your quilt to go.

About the Author JESSICA ALEXANDRAKIS learned to quilt while living in Hokkaido, Japan, in 2002. She loves scrap quilts, one-patch quilts, and quilting in public. She started blogging about her quilting efforts in 2006 and currently blogs at LifeUnderQuilts.blogspot.com. An active member of the NYC Metro Modern Quilt Guild, she lives outside of New York City with her husband and two children.
