Ancient designs for Contemporary QuiltersBy Valerie BoerJust what you need to bring classic native patterns into a folk art quilt. Joyce Mori has provided th best of fish, animal and geometric designs rooted in ancient art works of Native People's.Great addition to any quilt enthusiast's library.0 of 0 people found the following review helpful. like block patternsBy Sherry M.I thought this book was quilting patterns, like block patterns, not stitching patterns. No use to me.

Whether you are looking for bold geometric designs, stylized plants and animals, or graceful swirls, you will find the

right design among this book's ready-to-use quilting patterns based on Native American designs. Directions show how to combine several patterns to create unique border or block designs that are perfect for the open spaces in a quilt.
