**Susan Pfau : Quilts from Sweet Jane: Easy Quilt Patterns Using Precuts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Quilts from Sweet Jane: Easy Quilt Patterns Using Precuts:

18 of 18 people found the following review helpful. sweet is sweet.By kathy18951 nice book, for the 48 pages. lots of patterns to choose from. I was surprised at how much i liked so much of this little book.if you are collecting books to use with pre cut fabrics.. this is a good addition. this book does NOT give alternative yardage,e.g. one layer cake or so many fat quarters of so many different prints.i think directions are clear enough that you could figure it out. saw this on martingale site, and got it for less on .14 of 14 people found the following review helpful. Wonderful!By CaitlinI just received my quilt book in the mail today and can't wait to start sewing! Sue has wonderful taste and her book shows it! Very fun patterns that I can handle :) I previously purchased a pattern off of her Etsy website and was more than pleased with her customer service. She went above and beyond to help me when I had questions. This is by far a

"steal" for the quality of this book!! I can't rave enough! I would also recommend checking out her Etsy page. [...].Awesome, awesome, awesome!!!! I will post a picture of the quilt I am working on when I am done! It is one of Sue's patterns called "Borderline Crazy". So. Much. Fun!!! I strongly encouraged you to purchase- I promise you will not be disappointed :)10 of 10 people found the following review helpful. Quilts from Sweet JaneBy Myrna HasseThis is a good books with delightful patterns for making smaller quilts for babies and children or couch size quilts. The quilt patterns are new and simple to make and the instructions are clear for even a beginning quilter to follow. I was disappointed the author did not provide measurements and fabric requirements to make larger size versions of these quilt patterns.

Fun to start and quick to finish, these enticing quilts simplify the fabric-selection process. Almost all projects use one set of precut fabrics plus a neutral background fabric, such as white or cream, with terrific results. Get a value-packed collection of 10 easy quilt patterns that appeal to a wide range of tastes. Discover doable projects that even beginners can make successfully; lots of helpful tips are included. Create great quilts for loved ones and for yourself.

From the Inside Flap Easy to start and quick to finish, these 10 bright, fresh quilts appeal to both modern and traditional tastes. Simplify fabric selection; most quilts use precut fabrics plus a neutral fabric. About the Author Sue first started quilting as a flight attendant, bringing hand applique to work with her on flights. In 2006, she started making and selling quilts, but had a hard time finding patterns that were quick and easy, yet beautiful and interesting. So, she began designing her own. This led to her design company, called Sweet Jane's Quilting and Design after her daughter, Jane, who was adopted from China. (Her son, Jack, is adopted from Taiwan.)
