written. Recommended for teachers and homeschoolers. 1 of 1 people found the following review helpful. ELDBy Janice A. RustI am using these ideas or modified ideas as suggestions for use in the Interactive Journals with our ELD Learners in the different curricular areas. It has been most helpful with brainstorming new approaches. Teacher-Librarian0 of 0 people found the following review helpful. GoodBy elmicamGood teacher resource if you like to use scrapbooking in your class. Nothing new I've seen a lot of the techniques in other Scholastic books.

Reading response has never been so fun! With scrapbooking activities for both fiction and nonfiction, students have the chance to use their organizational, writing, and artistic skills to record their learning in a fun, hands-on way. Also includes step-by-step directions, clip art, and photographs of sample projects. An ideal way to boost language arts skills, engage all learners, and brighten up any classroom! For use with Grades 3-6.
