Pearl Louis Krush : Redwork Blizzard Buddies (Annie's Quilting) before purchasing it in order to gage whether or not it would be worth my time, and all praised Redwork Blizzard Buddies (Annie's Quilting):

The designs are on both sides of the paper so you cannot use with a light box as the design from the back shows thru. You have to take the pages out by tearing them and photo copy one design to a page so that you can trace them onto your fabric.0 of 0 people found the following review helpful.
