W F Judt : Relief Carving Treasury before purchasing it in order to gage whether or not it would be worth my time, and all praised Relief Carving Treasury:

0 of 0 people found the following review helpful. Relief Carving PatternsBy Arthur CThis book is a series of patterns with pictures of finished carvings by the author and his students. Some of the patterns and pictures are good, while others are amatuerishly designed and executed; for example, one of a man holding a baby where the baby looks more like a gnome than a baby, or an old bewhiskered man who looks like he has incorrect anatomy beneath his beard. The few good patterns do not justify the price, in my opinion, unless you get it used and heavily discounted.0 of 0 people found the following review helpful. did great on this itemBy bmandmgreat item0 of 0 people found the following review helpful. Great BookBy Joseph BlichtBought this book for a friend who was into relief carving. He was wanting to make some furniture for a friend of his and found the book quite useful.

From lone wolves howling at the full moon to majestic eagles flying high over the trees to tall ships sailing across an ocean, nothing captures their grandeur like a beautifully tooled relief carving. A unique and intriguing art form, relief carving presents three dimensional subjects in panels of wood that are often less than two inches thick. Here in this book, the first of its kind on relief carving, artist and relief carving instructor Bill Judt shares with you the best this medium has to offer. Pulling on the talents of his students and his own work, Bill includes 16 relief carving projects geared toward the experienced carver. Each project includes a full color photograph, a detailed patterns and extensive notes on design and carving techniques. Whether you are new to relief carving and looking for an introduction to this fascinating art form or a relief carver searching for a book of new and challenging patters, this guide is sure to provide you with a detailed resource.

About the Author William F. Judt has been carving for over 27 years and is offering classes four days a week out of his home-based studio. He is the author of *Relief Carving: Patterns, Tips and Techniques*. He lives in Saskatoon, Saskatchewan.
