Julie Hendricksen : Remembering the Past: Reproduction Quilts Inspired by Antique Favorites before purchasing it in order to gage whether or not it would be worth my time, and all praised Remembering the Past: Reproduction Quilts Inspired by Antique Favorites:

1 of 1 people found the following review helpful. Loved the bookBy Kimberly McKown-StraitWonderful book. Would highly recommend it to anyone who likes traditional patterns with a twist. I like to use traditional patterns and make them "modern". Lots of great pictures. The book came very quickly and I got free shipping. It doesn't get any better than that1 of 1 people found the following review helpful. Mets my expectations.By Victoria Van DalsenI love

old quilts and especially Civil War quilts. This book has a great selection of reproduction quilts to make, along with instructions. I can't wait to make one, or more quilts out of this book!

Beautiful Quilts

Antique quilts have a romance about them that captivates quilters and collectors. But inheriting such a treasure is rare, and buying one can be costly. What to do? If you love antique quilts and enjoy remaking them with today's Civil War reproduction prints, this is the book for you. 14 patterns make re-creating antique quilts a breeze using modern techniques. Most patterns show both the new and antique versions, and all include full instructions. Learn more about the fabrics you love--from shirtings to plaids--and view close-up photos of both antique and reproduction quilts.

Longtime quilt designer and antique-quilt collector Julie Hendrickson shows you how to make antique-inspired quilts with Civil War reproduction quilts. Using modern techniques, 14 classic patterns make recreating these old treasures a breeze. Most patterns show photos of both the new and antique quilt versions. Also includes a quick history on the rainbow of reproduction fabrics spanning double pinks to poison greens. --Primitive Quilts and Projects Magazine
