Excellent Reference BookBy ManowarThis book covers almost all common and obscure rifles from the 1860's to the 1980's, from breechloaders to full autos. It contains a short history and description for each weapon, its variations, with technical data, Black White photos and many drawings. A must have in any gun collectors library.

OBSCURE RIFLES FROM THE 1860'S -1980'S. A comprehensive survey of both military and commercial arms, from the first metallic cartridge rifles of the 1870's to today's latest autoloaders.
