1 of 1 people found the following review helpful. Super awesome scrapbook kit!By P. RiceI had not created a scrapbook until I purchased this kit. The color scheme was perfect for my best friend's birthday! It was easy to use and had all the necessary decorations, although I did purchase seperate stickers/decals for extra decorating. The best part of the package was the protective box to keep the scrapbook safe.3 of 4 people found the following review helpful. Scrapbook KitBy AnnieExactly as it advertises, quick easy and fun!This project was easy and not too time consuming.
