Cori Dahmen : Scrapbook Memorabilia: Safe and Unique Ways to Showcase Your Life's Mementos before purchasing it in order to gage whether or not it would be worth my time, and all praised Scrapbook Memorabilia: Safe and Unique Ways to Showcase Your Life's Mementos:

7 of 7 people found the following review helpful. Lots of great ideas for using memorabilia on scrapbook pages!By CillaThe book begins with how to de-acidify items or otherwise place them in protective enclosures so that they can safely be used on scrapbook pages. There are chapters on subjects such as how to use memorabilia for embellishments(like buttons, coins, clothing tags) and collecting and using memorabilia for theme albums(like the newborn's hat in a baby album). The book has some very helpful ideas on how to showcase hobbies and collections on scrapbook pages. It has good hints on what types of adhesives are best(like using specific adhesives to adhere collector's cards to pages, or as an alternative, stitching them). There are also helpful discussions about using archival

safe foam core in various layouts using memorabilia. The topic of using memorabilia in scrapbook layouts has been addressed briefly in some other books on scrapbooking, and also in scrapbook magazines, but it is nice to have a book in my library that focuses solely on the topic of what kind of memorabilia can be used, and how to use it. I am sure that I will refer to this book often. 0 of 0 people found the following review helpful. Five Stars By Elizabeth R Hamilton Love it 1 of 1 people found the following review helpful. Idea book By Rae Lynn Lingenfelter There are several great ideas in the book. I am glad I purchased this idea book.

Get ready, get set.....to create the most meaningful scrapbook pages yet with contemporary and heritage memorabilia! Drag out those bins and boxes of treasured keepsakes and learn how to use them - along with photos and journaling - to help tell the most complete stories of your life experiences Learn all about proper preservation techniques to ensure that your memorabilia is ready for the archival-protective environment of scrapbook albums. Discover how to include your memorabilia on innovative layouts as backgrounds and embellishments or feature it in easy-to-make pockets, pouches, envelopes, enclosures, shakers and frames. Explore ways to bring your own memorabilia to life in holiday, school, vacation, wedding albums and more, through beautiful art, user-friendly instruction and plenty of helpful tips.

About the Author Cori Dahmen creates designs and teaches classes for scrapbook and craft companies including EK Success, me my BIG ideas and Creative Imaginations. Her work has been published in magazines such as Creating Keepsakes, Simple Scrapbooks, Better Homes and Garden and Memory Makers.
