Tim Holtz : Scrapbooks Slide Mounts and More (Design Originals) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scrapbooks Slide Mounts and More (Design Originals):

0 of 1 people found the following review helpful. Three StarsBy Judith F.not quite what I had in mind,0 of 1 people found the following review helpful. Do not be misled -- Tim Holtz is one of twelve contributing artists. He is not the author of this book.By LynneAlthough its cover shouts SCRAPBOOKS," the ideas in this book lend themselves to journals, gift wrap, gift tags, greeting cards, etc.Slide mounts are cheap enough to play with and are easy to come by -- but I bet you could have come up with most of these projects on your own.10 of 26 people found the following review helpful. Remembering is What It's All AboutBy chewy PhooeyFrame your past and make it cute. With this book to teach you, you'll have no end of examples to copy. Create tiny frames from abandoned plastic and picture your tiny past as if it were worthy of archiving. The fabulous crafty techniques for doing this are all part of this short little book. The really spectacular inspirational ideas in this book revolve around the creation of exceptional titles for your cute

little scrapbook pages. Everything sounds better in large print. These folks show you how to do it without knowing a thing about art. Imagine the titles you can create: "My Daughter Has Gum Stuck in Her Hair" and "I Woke Up Next to Who" are just some of the clever things you might do with the techniques you'll learn from the wondrous world of scrapbooking so skillfully compiled by these authors. Every detail from types of paper to brands of glue are here for the reader. Glue is so important and these authors really know that. So, what are you waiting for? Go out and glue those memories.

Learn how slide mounts can help you create beautifully interesting scrapbook pages.

About the Author Tim Holtz travels a cross the country demonstrating products for Ranger. His product lines includes papers, strips, inks, and more.
